

How to Play Quarantine Haircuts

*A push-your-luck, roll-and-write game
where you try to give the best haircuts to your entire family*

Overview:

Unable to leave your home during quarantine, your family is in desperate need of some haircuts. Cut their hair, but make sure not to cut off too much hair, or else you will have to buzz off all their hair.

Players: 1 - 100+

Game Time: 10 minutes

Items needed: 3 six-sided dice

Gameplay:

Roll:

Roll all 3 dice. Set aside all, some, or none. Reroll any dice. You can reroll the dice up to two times, and may stop rolling at any time.

Write:

Mark off the results of all 3 dice rolled for this haircut. *(You may only mark off results for the current haircut)*

Buzz Cut?

Check if you have cut too much and reached the end of a number track, hitting an X. If so, score 0 and go to next haircut.

Keep Cutting or Stop:

Choose to keep cutting and repeating these steps or to stop. If you stop, score the number directly below your last mark on each track. Then, go to the next haircut.

End of Game:

After you have completed the last haircut decision (in F), total up your score from all your haircuts. Congratulations, you have completed your Quarantine Haircuts!
