

DEMETER AUTUMN

T-REX

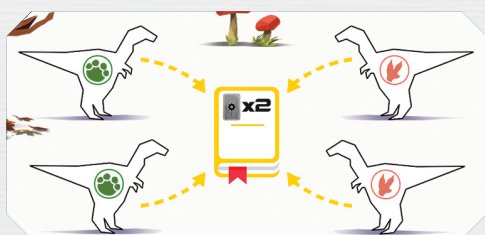

Gain 1MP for each yellow card you selected during the game.

PTERODACTYL

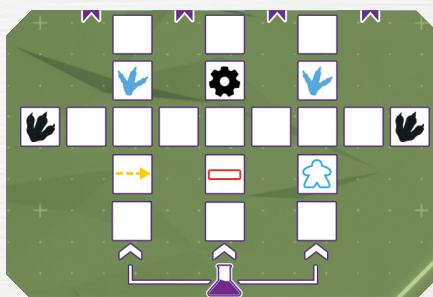

Gain 1MP for each different dinosaur you discovered during the game.

GALLIMIMUS

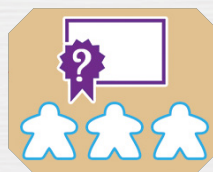

Gain 2MP for each grey card you selected during the game.

RESEARCH TRACK

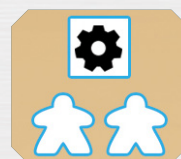

The first time you progress on the Research Track, color one of the 3 starting spaces. The next time you progress on the Research Track, you may color a space adjacent to a colored one, OR you may color another starting space instead.

BONUSES

Score the Objective of your choice, except an Objective you already scored.

Choose one: recruit a Scientist, study a Dinosaur, build an Observation Post or progress one space on the Research Track. You may trigger the ability of the corresponding Building if you built it and if you did not use its ability earlier during your turn.
